

A night of lasting fellowship

It has been a tradition for the indefatigable Muebles Italiano owner **Noel Gonzales** and his beautiful wife **Eileen** to host an exclusive party for several of their close friends. This year's affair, held at the Muebles Italiano showroom in Paseo de Magallanes in Makati, gathered noted personalities from the diplomatic, government, business and social circles that included the untiring Ilocos Norte 2nd District Representative **Imelda Marcos** who was the evening's guest of honor. Everyone enjoyed the sumptuous dinner buffet partnered with overflowing vintage wines and champagne. An after-dinner program had all the guests glued to their seats, enjoying the outstanding performances by the host Noel, dancesport champions **Edna Ledesma** and **Cecil Go** and Caruso Ristorante Italiano owner **Emilio Mina** among others. The former First Lady also had a special number wherein she serenaded everyone with her favorite songs.
